House Move Is Opposed In Petition

Owner Denies Charge Of "Old House" By Signers

Opposition to the plan of Morris Chernow, 903 Talbot Avenue, to move a bungalow into the 900 block on Cornell Avenue, was presented to the City Council Monday night by residents of the neighborhood in a petition containing 38 signatures.

The house, now located at 1608 Solano Avenue, has been passed on by City Engineer H. I. Dygert and members of the Park, Planning and Zoning Commission.

Principal objection voiced was that the house is an old one and would detract from surrounding property. This was answered by Chernow and his contractor, Melvin Ayers, with an invitation to the protesters to inspect the building in its present location and be informed of the improvements to be undertaken on it.

GIVE APPROVAL

Chernow also presented a petition, signed by 17 other owners in the block, voicing their approval of the project. Pending a check by the City Clerk of signatures on the petitions, the matter was laid over for one week at the motion of Councilmen Vincent Hanahan and Benjamin Mowday.

The latter also moved that action on the proposed rezoning of the property formerly known as the Gill Trace, be deferred until March 28, 1938. The land is owned by the University of California at present. Reclassification is sought by the City to prevent its use for undesirable purposes by future buyers.

The council approved the second reading of the new set-back ordinance and ordered it passed to print. The law provides a quicker and simpler method of taking care of applications for establishment of set-back lines, according to City Attorney C. N. Lavers.

POLICE EQUIPMENT

A suggestion that the Police Department be provided with the necessary equipment for photographing fingerprints, was offered by Mrs. Kathie Zahn, 907 Santa Fe Avenue. At present, she pointed out, the aid of other cities must be secured.

The matter has been under consideration for some time, Councilman Hanahan advised her, agreeing that such apparatus should be possessed by the local department. Special training would also be needed by the officers, the head of the police committee said.

Presiding over the meeting was Councilman George Batchelder, in the absence of Mayor O. C. Yenne, who was ill.

Woman Hurt on Christmas Eve

Hit by an auto, while crossing San Pablo Avenue early Friday night, Mrs. Velda Neuman of 717 Jackson Street will be confined to her home for two weeks by rib injuries and severe bruises.

Mrs. Neuman was struck at Washington Avenue by a car driven by Mrs. Mildred Hamburg of Oakland, according to police. She is the wife of R. E. Neuman, manager of the Safeway Store at 843 San Pablo Avenue.

ALBANY ON KSFO

Albany residents are again reminded to listen to the "Scattergood Baines" program on KSFO next Thursday night at 8 o'clock. The nightly presentation of the Wrigley Company will at that time be devoted to broadcasting the advantages and fame of this city.

Men Get Quail Limits

A hunting trip to Lafayette last Sunday brought them each a limit of quail and several brush rabbits, report Al Mortara and Dick Bruno, butchers at Villa's Market. The only happening to mar the day was a minor case of poison oak contracted by Bruno, they declared.

Rotary Speaker Reveals Origin Of War in East

The present conflict between China and Japan really had its beginning in 1852 when troops from the two countries entered Korea to put down an uprising, Albany Rotarians and guests were told Monday noon by Dr. Charles R. Shepherd, founder and superintendent of the Chung Mei Home in El Cerrito.

Since that time, said Dr. Shepherd, Japan's idea has been to gain a foothold on the continent of Asia. China has steadfastly refused to sanction their plan. This, with other events that have occurred in the past 50 years, must be understood to get a true picture of the war now going on, he insisted.

He was introduced by C. E. Morris, program chairman. President Kenneth Glines conducted the session, held in the Memorial Building.

Men Feted at Fort Miley

Fifteen members of Leland Bergesen Auxiliary No. 2658, V. F. W. visited Fort Miley Hospital recently, presented gifts to the patients, and entertained the men with a card party, it was reported at the meeting last Tuesday night. Twenty prizes were awarded at the party.

The group also held a Christmas party on December 23 in the Memorial Building and gave presents to all the children present. A lovely tree had been erected and a fine program was offered.

Two Albany members have been elected to fill County Council offices, it was learned. The election, held Monday night, made Mrs. Olive Blair junior vice president and Mrs. Dorothy Maurer, color bearer.

Refreshments were served at the close of the meeting which was in charge of Mrs. Bertha Scholz, president.

Third Community Night Scheduled During January

The third of the extremely successful "Community Night" programs, presented by the Recreation Department, is scheduled for some time in January, relates Edwin S. Howell, supervisor, who will again be in charge.

Talent is now being lined up and a splendid program is assured, Howell said. The affair will be held in one of the school auditoriums.

A stage show, with local and other talent, community singing, comedy sketches and dancing are already listed. One feature, now being rehearsed, is a comedy act from a manuscript that was used in a National broadcast by a leading comedian.

Music will again be furnished by Jimmie Thompson and his WPA orchestra. Announcement of the date of the affair will be made in the next week or so.

Merchants Will Begin 2nd Half Fight on Sunday

Beginning a steady schedule on the home grounds, Jake Nora will present the Albany Merchants against the Eagle Buffets Sunday at University Park, he announces. The game is to start at 2 p. m.

Sunday's contest, the first in the second half of the Berkeley City League, will see a faster, stronger team in action, Nora promises. Art Eppson has returned to the lineup as utility fielder and pitcher and he has signed Hal Stoven, former Coast leaguer, to play in the outfield. Pitcher Ercheart will start.

Last Sunday the Merchants defeated the Mickey's Inn nine by the score of 2-1 in an exciting encounter at the Albany field. By this win the team cinched its hold on second place in the Berkeley league.

Flue Hazard Pointed Out

"Now is the time to have your flues and chimneys cleaned," is the advice given this week by Fire Chief Carl Ahlgren to residents of this city. "Cold weather means that they will again be given severe use and safety calls for an immediate inspection and cleaning if necessary."

Three minor blazes, reported during the past week, were directly caused by dirty flues, the chief revealed.

Householders who are planning to take their Christmas trees down, are asked to dispose of them at the dump or through the scavenger company. When burned, the trees give off dangerous sparks that have been responsible for a number of fires in the past, he said.

Also mentioned by Chief Ahlgren is the necessity for checking gas heaters to make sure that they are properly vented. His records show that three persons were revived by firemen after being overcome by fumes during 1937.

Rash Driver Fined \$50 in Local Court

Driving recklessly in Albany is expensive. This was the experience of Charles E. Grube, 2014 9th Street, Berkeley, as he admitted his guilt to Judge Louis J. Hardie in court Wednesday night. On hearing that his fine would be \$50 or 10 days, he meekly paid the amount to Mrs. Myrtle McLean, court clerk.

The Berkeley man was arrested by Officer Stanley Williams on December 23, had admittedly "had a few drinks."

Conway Peterson, 21, entered a similar plea to the charge of speeding 50 miles an hour on San Pablo Avenue on Christmas morning. A fine of \$15 was levied by the court. He was given 30 days in which to make payment, after explaining that he was out of work and has been here from Texas for but six months. He lives at 414 South 36th Street, Richmond.

Traveling 50 miles an hour on a motorcycle brought a \$10 fine to William Westfield, 38, of 5725 Gas-kill Street, Oakland. Admitting his guilt, he paid his fine.

A new role, that of interpreter, was capably played by Officer Frank Davis in the case of Ysabel Hernandez of Richmond. The defendant, a Mexican, was unable to speak English and the court called the policeman to the rescue.

Davis brought two guilty pleas from the man, one to speeding 45 miles an hour, the other for failure to heed a siren. A fine of \$10 was made on the first and judgment was suspended on the latter. Hernandez paid \$5 and promised the balance within 60 days. He is married, has four children and earns \$60 a month, Davis brought out.

"I'll admit that!" was the ready answer of William A. Gregory, 63, when charged with driving 40 miles an hour on San Pablo. Gregory, who is hard of hearing, lives at 1511 33rd Avenue, Oakland. He paid a \$5 fine.

Not having a registration slip in his car brought a \$2 fine to George Tappero, 21, of 708 Cornell Avenue. He was arrested on December 13 by Officer John Viarengo. A second charge, parking his car on the street all night, brought a \$5 fine two weeks ago.

Bail to the amount of \$100 was forfeited by the non-appearance of a number of traffic violators, it was reported.

Now on 10-Day Trip

Planning to spend New Year's Eve in Death Valley, 300 feet below sea level, Mr. and Mrs. J. F. Wilson, 104 Solano Avenue, left Wednesday on a 10-day trip that will also include Boulder Dam, the Grand Canyon and Palm Springs. They are accompanied by Mr. and Mrs. W. D. Wisdom, old friends who live in Berkeley.

GIRL IS FOUND IN SOUTH

Angelina DeCicco, 17, who left home on December 6, was found Tuesday in Los Angeles. She returned home with her father the following day.

Missing Albany Girl, 17, Is Discovered in Los Angeles

Ending a State-wide search of more than three weeks, word that Angelina DeCicco, 17, had been found in Los Angeles Tuesday night brought peace to the hearts of her parents, Mr. and Mrs. Albert DeCicco, 1143 Marin Avenue.

Immediately on receipt of the good news, which came to local police through the Sheriff's office, DeCicco and C. E. Morris, ex-Y. M. C. A. secretary and friend of the family, left for the southern city. They came home Wednesday night with the girl.

The girl disappeared on December 6 after leaving, apparently, for school. Her distraught parents appealed to police and had a description sent throughout the State.

SOUGHT CAREER

Angelina, her High School friends report, is unusually gifted along art and literary lines and has often expressed her wish that she be allowed to pursue a career along either of these subjects. Unknown to her parents she had been saving money for some time, with this idea in mind.

A thoughtful girl, she laid plans to spare her mother and father any anxiety. This is proven, authorities declare, by the fact that she had prepared a number of post-cards which were to have been mailed by a girl friend at regular intervals, ostensibly to let her folks know that she was all right. Unfortunately, these cards were not used.

SEARCH ENDS IN L. A.

While her parents planned to offer a large reward for information about her—local police had ordered doggers made—word came from Los Angeles that a girl answering the general description had been picked up. This girl, they stated, gave the name of Priscilla Porter, said she was 19 and from San Francisco.

Quickly the Albany department had word flashed back that the missing girl had a birthmark on her shoulder. But meanwhile Angelina had confessed her identity, the teletype said. So her father and Morris sped south and brought her back to Albany and home.

Council Thanked By Judge Hardie

Thanks for the cooperation given him by the council and other City departments, were contained in a letter from Judge Louis J. Hardie to the City Council this week.

"Since being appointed on March 15," the letter said, "I have tried to conduct the court in a manner that would properly punish those who warranted it, as well as to temper justice with mercy in cases of minor violations."

While the number of cases has decreased in the past few months, Hardie said, court receipts have remained about the same. This was due to more emphasis being placed on major offenses than on petty ones, he explained.

Meetings of Two Clubs Postponed

The meetings of both Breakfast Clubs have been postponed because of the holiday week-end, report the presidents of the groups. Sessions will be held on Sunday, January 9.

The Women's Breakfast Club will meet at an unannounced site to consider ways and means of showing their appreciation for the big fete to be put on in their honor by the men on January 22, says Dr. Jane Paxson. While the men are positive of producing a successful affair, it will be necessary for the women to add the crowning touches, the word is.

Meanwhile President Joe Villa is urging his members to show up at a meeting to discuss final plans of the annual party the group sponsors. Dancing, entertainment and a buffet supper are the big features to be offered. Tickets may be secured from Villa, H. T. Dygert, Gartner Thomas or Don Bruce. Others working to insure the

Death Takes Old Resident

Death struck again at the thinning ranks of those who arrived here in the "early days" and became the original settlers of this thriving city, as Samuel D. North, 66, passed away in an Oakland Hospital on Tuesday.

Although Mr. North had lived for the past 10 years or so in San Leandro, he is well remembered by other early families. For many years he and Mrs. North made their home on what was then Inyo Street, now Ordway Street.

He was a life member of Oakland Lodge No. 188, F and A. M.; Oakland Scottish Rite Bodies and Aahmes Temple of the Shrine. Funeral rites, conducted by the Masons, were held yesterday in Oakland. Entombment followed at Sunset Mausoleum.

Mr. North is survived by his widow, Mrs. Gertrude T. North, and his daughter, Mrs. Ada North Whelan. He was an employee of the Paraffine Paint Company.

Drive Brings Holiday Aid To Families

Because Albany showed that it cared and its citizens wished to share their happiness with neighbors less fortunate, 41 families here were helped through the efforts of the Albany Associated Organizations, reports Dr. Jane Paxson, chairman.

A total of 115 persons received clothing, shoes, merchandise and grocery orders through the cooperation of the many organizations in this city, she said. Funds received from the Christmas cans that were prominently displayed, aided materially.

Those in charge of dispensing aid to the needy worked until 9 p. m. the night before Christmas, it is said. In some cases a few toys or candy was all that was needed to insure a complete holiday for families with children.

NEED WAS GREAT

Although this year's drive, which was marked by such splendid cooperation, brought aid to fewer persons than last year, the need was greater. Families that received aid needed more necessities, the chairman said. Items like underwear, sweaters and shoes were in great demand.

And once again the P. G. and E., through its Berkeley manager, H. W. Beckman, came through and offered fullest assistance in the campaign, Dr. Paxson declared. In a number of cases, she revealed, an enjoyable holiday would have been impossible without the corporation's generosity.

City Clerk Herbert W. Brewer, now vacationing in the South will return to his duties January 3.

New Injury Spurs Drive On Airguns

Spurred by the latest casualty resulting from the use of B-B guns, local police are again emphasizing the fact that these weapons are illegal in Albany and are subject to confiscation.

Last child to be injured by a pellet from an air rifle is Jimmy Brunstein, 6, son of Mrs. Lela Brunstein, 1119 Evelyn Avenue. He was hurt by a playmate, Gordon Madsen, 9, living at 1140 Evelyn Avenue, as the two were playing "cops and robbers" Christmas day.

The older boy was in his basement, carrying the gun which had been given him as a Christmas present, when it was discharged, sending the B-B upward through the check of the Brunstein lad. He was taken to Humboldt Hospital by Officer Harry Stevenson for treatment by Dr. Douglas Ream.

X-ray pictures were taken that showed the missile lodged near the boy's eye and an operation was necessary for its removal. Fortunately, according to Dr. Ream, the sight of the eye will not be affected.

SEEKS P.T.A. AID

Praising police for their efforts, Mrs. Brunstein, secretary of the Albany Traffic Safety Commission, declared that it would only be through the full cooperation of parents that the menace could be abated. To this end, she intends to take the matter before the various P.T.A. organizations of Albany when school opens next week.

"Despite repeated warnings recently that B-B guns are not legal in Albany, children have been given them," she declared. "Perhaps a direct appeal to parents will prove more effective."

City Ordinance No. 345, announces Police Chief John Glavinovich, specifically bans the weapons. The law reads "It shall be unlawful for any person to fire or discharge any gun, cannon, rifle, pistol or airgun." A fine of from \$10 to \$100 is also mentioned for violations.

Youths Pay for Yule Vandalism

Admitting that they had stolen and destroyed 28 light globes from an outdoor Christmas tree at the home of Dr. and Mrs. Victor Zahn, 907 Santa Fe Avenue, seven Albany youths have paid for their vandalism, police report. The 16-year-old boys raised the sum of \$5.60 and turned it in to the authorities, who reimbursed the couple.

Their arrest came about when Sergeant Charles Hardie, called by Mrs. Zahn, found a fingerprint on one of the light sockets. It belonged, a check revealed, to a local youth already on probation. The others were implicated by him.

Principal and Mrs. Kenneth Glines and sons were recently week-end guests of Mr. and Mrs. R. E. Warner of King City.

WILL ENFORCE BAN ON B-B GUNS

Beside a few of the many B-B guns that have already been confiscated in the City's drive to abate the danger therefrom, Police Chief John Glavinovich expresses his disapproval of the weapons. At left Sergeant Charles Hardie examines a gun which was taken from a youngster who was damaging property or endangering some person.

Local Savings and Loan Association Declares Dividend

A dividend of four per cent on the investment and savings share accounts for the last six months of the year was voted by the Board of Directors of the Albany Federal Savings and Loan Association at the regular December meeting of the Board.

According to Mr. Cyril C. Lotz, President of the association, this is the eighteenth regular payment to its savings investors. As explained by Mr. Lotz, "the Albany Federal Savings and Loan Association is the new name of the former Albany Guarantee Building and Loan Association, which was converted into a Federal association in July of this year by the Federal Home Loan Bank Board and now holds a Federal charter. The original association first opened its doors at 1055 Solano Avenue in December of 1928. Since that time the office has been continuously open during business hours, even during the so-called "bank holidays." Every June 30th and December 31st all savings accounts have received or have been credited at the rate of four to six per cent per annum. That every request for a withdrawal from 1928 to date, even during the "emergency period," was met and paid without quibble or prior notice."

The assets of the Albany Federal Savings and Loan Association have more than doubled during the past six months. "The reason for this," as stated by Mr. Lotz, "is due to the fact that the association is now a Federal institution, and the funds of every saver in a "Federal" are insured up to \$5,000 by the Federal Savings and Loan Insurance Corporation, an agency of the United States Government. This insurance is a safeguard never applied to thrift, or building and loan associations before the creation of "Federal" in 1933. Moreover, previously, every thrift institution was a single unit, existing by itself. In times of distress it had no source of help but its own reserves. Now, every "Federal" is a member of the Federal Home Loan Bank System, and may borrow funds if necessary to meet the demands of an emergency. A leading savings and loan authority has said, "The Federal Home Loan Bank System affords a source of strength to savings and loan associations such as it never had before in a century of history."

THE P.G. and E. CITIZEN-TAXPAYER

Pays \$8,371,000 in City, County and District Taxes

Pacific Gas and Electric Company will pay \$8,371,000 in local taxes upon its properties for the fiscal year 1937-38. Payment to cities and counties of first installments, aggregating more than \$5,500,000, has just been completed.

The Company is the largest taxpayer in California; and the largest also in twenty-five counties served by our lines. In some counties we pay from 50 to 60 per cent of the total taxes collected.

In addition to property and franchise taxes levied by cities, counties and districts, we pay a state corporation franchise tax of \$334,000, a tax for the state unemployment fund amounting to \$440,000, a sales tax aggregating \$402,000 and motor vehicle license and gasoline taxes of about \$97,000.

Then there are federal taxes—taxes on income, on sales of electricity for domestic and commercial purposes, on capital stock, on bond interest and for the Social Security fund, all of which bring the grand total of the Company's tax appropriations for 1937 to more than \$15,000,000. This is 15 per cent of our entire annual income—\$41,000 per day or \$1,700 every hour of every day.

P.G. and E. PACIFIC GAS AND ELECTRIC COMPANY
Owned • Operated • Managed by Californians

"The safety of savings placed with the Albany Federal Savings and Loan Association," added Mr. Lotz, "is proven by the fact that the United States Government, through the instrumentality of the Home Owners' Loan Corporation, has invested its funds with the association to the extent of almost fifty per cent of the savings of local investors. The government receives the same return on its investment as do the private investors, and from the point of view that the institution is a mutual savings association, (mutual meaning all profits are divided among investors) the investment is a good one."

The officers and directors of the Albany Federal Savings and Loan Association are Cyril C. Lotz, President, Lisle S. Green, First Vice-President, Joseph M. Villa, Second Vice-President; H. W. Brewer, Secretary-Treasurer; Beatrice Raymond, George W. Foster, John E. Barnes, and Frederick L. R. Confer.

Mr. Cyril C. Lotz, is a local attorney and former secretary of the Albany Guarantee Building and Loan Association; Mr. Lisle S. Green, is the proprietor of the "East Bay Photo Service" and a former Mayor and Councilman of the City of Albany; Mr. Joseph M. Villa is the owner and proprietor of "Villa's Market"; Mr. H. W. Brewer, is the City Clerk of the City of Albany; Mrs. Beatrice Raymond is a partner of Raymond and Schafer, local realtors; Mr. George Foster is export manager of Stokely Bros., and Van Camp, etc.; Mr. John E. Barnes is partner of "Service Linotype Co." and former owner of the Stockton "Enterprise"; and Mr. Frederick L. R. Confer is an architect nationally known and the winner of many awards for model house designs.
